

# URSTRONG

## Implementation Plan for URSTRONG Schools

### Immediate Actions:

Who do I need to speak to about URSTRONG when I return to school?

How will we introduce URSTRONG to our staff?

How will we introduce URSTRONG to our parents/community?  
(Language of Friendship, school newsletter, permission notes?)

How will we introduce URSTRONG to students? (F101, Day of Friendship Workshops, extension activities?)

### Next Steps:

Will we teach Friendology 101 to all students or year groups?

Will we integrate Friendology 101 into existing curriculum, such as a 'Healthy Relationships' unit in PDHPE, or as a stand-alone social and emotional learning unit of work?
