FRIENDSHIP FIRES®?

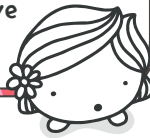

NAME:

CAN YOU SORT OUT THESE BFRN (BEST FRIEND RIGHT NOW) FRIENDSHIP FIRES®?

Read each scenario then put those Friendship Fires® in order! Draw a line and connect each scenario with the type of Friendship Fire® that it might spark... a Tiny Fame or a raging Bush Fire?!

Your BFRN invites two other friends to their house to play. When you ask why you weren't invited they say "I didn't have anyone over to my house!"

A rip-roaring raging Bush Fire

Your teacher asks you to get in pairs and your BFRN asks someone else to be their partner.

A huge flaming Bon Fire

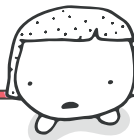

Someone tells you that your BFRN has been saying really nasty things behind your back and they are just pretending to be your friend...

A crackling Camp Fire

You're playing a game with your BFRN when they suddenly change the rules without telling you and shouts "Hah hah! You're out!!"

A smouldering smoking pile of twigs

Your BFRN forgets that it's your birthday and doesn't even say Happy Birthday to you when you see them.

A tiny little spark
